Gifts to Bokenkamp Children's Shelter

Short-term Care With Long-term Impact

This year we will be collecting gifts and money to help make the holidays a bit better for kids at Bokenkamp. Bokenkamp Children's Shelter is an emergency shelter for approximately 60 unaccompanied refugee children from Central and South America, ranging in age from infants to teens. These children have all experienced some form of traumatic separation from their families. Bokenkamp provides short-

term care that will leave a long-term impact in these children's lives by offering shelter, counseling, vocational training, education and spiritual care. Please consider donating at the Holiday Program on 12/15/11.

Be on the look out! Membership dues invoices will be emailed to club members with valid email addresses around the first of December. All other invoices will be mailed.
